Rebekah Horton
Library Hours

M, T, Th, F  7:30 a.m. – 10:00 p.m.
W  7:30 a.m. – 5:30 p.m.
     8:15 p.m. – 10:00 p.m.
Sat  8:30 a.m. – 10:00 p.m.

For hour changes/closures, please check library.pcci.edu.
Welcome to the
LIBRARY

The mission of the library is to supplement and enrich classroom instructional effectiveness and learning at Pensacola Christian College and Pensacola Theological Seminary. The needs of the students, faculty, and staff are met by providing a well-balanced collection of materials that enhance the academic curriculum, while also meeting the research and recreational needs of our students, faculty, and staff.

The goal of the library staff is to supply a variety of services to patrons, from general help with library use to specific, individual assistance. If you have a question, please ask a library worker.

The library staff is conscious of the responsibility to add resources, make changes, and improve services as user needs require.

The PCC library is named in honor of Dr. Rebekah (Beka) Horton, PCC’s cofounder, who over the years has given direction, not only to the College Library, but also to the Pensacola Christian Academy libraries.

Directory—Sixth Floor
Basic Procedures

1. **Main Library entrance/exits** are on 1st floor. All other doors are alarmed and will sound if opened.

2. **Closings:** Library staff will begin clearing floors 15 minutes before closings.

3. **Assistance** is available from library personnel. If you cannot locate a library assistant, please see the Circulation Desk.

4. **Do not reshelve** any items that you take from the stacks. Leave library items on the book return carts, located on each floor. Items that you have checked out must be returned to the Circulation Desk. Improperly returned items may result in a fine.

5. **For Library Use Only:** Reference books on 1st floor must be used on 1st floor. Reserve books, periodicals, pamphlets, and all 2nd floor materials must be used on the 2nd floor.

6. **Quiet atmosphere:** The library is for study, research, and reading; therefore, a quiet atmosphere should be maintained. Patrons should be careful not to disturb others by unnecessary talking and moving around. Talk quietly in the library lobby and in the Atrium.

7. **Orderliness:** Please leave the library neat and orderly by pushing in chairs and picking up papers around the area where you were studying or working.

8. **Library materials** belong to the college. Do not write, underline, or highlight in library items.

9. **Food,** candy, gum, and drinks (including water) are not allowed in the library.

10. **Dress Code:** Library users should abide by campus dress standards. Casual clothing is acceptable after 5:00 p.m. on weekdays and all day on Saturday.

11. **Personal property** should not be left anywhere in the library during chapel, meal times, or anytime the owner is not present. Unattended items will be taken to Lost and Found. PCC cards will be taken to Information Desk.

12. **Children** third grade and under are not permitted to be in the library unless they are with a tour.
13. **PCA students** in grades 4–12 may use the Pensacola Christian College Library by presenting their PCA identification card. Students will sign in and out at the Circulation Desk and will be given a badge which must be worn and remain visible at all times. Additional guidelines are available at the Circulation Desk.

14. **Library Supplies:** The library cannot supply general office supplies; however, a stapler and tape are available as a courtesy at the Circulation Desk on 1st floor. Also available is a large-volume stapler for papers with 20–120 pages.

15. **Conference Rooms** may be reserved for use by student groups. Reservations are made and details are available at the Circulation Desk. See directories for locations.

16. **Study Rooms:** Three small rooms, located on 3rd floor, are available for 1–2 students (not mixed groups).

17. **The Testing Center** is located in the Lyceum for students to make up tests. Hours are posted on Eagle’s Nest.

18. **Cell phones** are permitted in the library only for texting or for research.

---

**Circulation Procedures**

1. **Circulation Desk:** All library materials must be checked out at and returned to the Circulation Desk. An alarm will sound at the door if items are not properly checked out. If the alarm sounds, patrons must return immediately to the Circulation Desk.

   Removing items from the library without properly checking them out is an infraction.

2. **To check out materials or pay for services,** students must present their current PCC Card. No one is permitted to check out items for another person or to use another person’s PCC Card.
3. **Number of items allowed:** Undergraduate students and courtesy patrons (including PCA students) may check out six items for a two-week period. Graduate students, faculty, and staff may check out ten items for a thirty-day period.
   If you are returning items in order to check out others (to keep below your limit), please give them to a desk assistant. Do not place the items in a book drop.

4. **Renewals** are allowed on most items unless a hold has been placed against that item. Books may be renewed online using the PALM system or at the Circulation Desk.

5. **Returning library materials:** Patrons are asked to return items to a Circulation Desk assistant. For your convenience, a book drop is also located on the outside north wall of the library (facing Ballard Hall).

6. **Overdue/Lost items or fines/fees:** When items are checked out, date due cards are provided as a courtesy. Patrons are required to return an item before its due date. Also, patrons should return items even if the fine cannot be paid at that time. Fines increase daily until the item is returned, at which time the fine freezes.
   Lost items must be reported immediately. A non-refundable $20 processing fee will be added to the replacement costs. Until accounts are cleared, patrons may not check out other materials, and students’ exam permits will not be released.

7. **Item Hold Request:** If an item is already checked out, you may place a hold request online or at the desk. You will receive a notice when the item is ready to be picked up at the Circulation Desk.

---

**What to Do If a Book Is Not on the Shelf**

Because many people use the library, a particular item may not be in its place when you look for it. If you cannot find an item, you should follow these steps:
1. Check the PALM computers. If an item is listed as "charged", it is already checked out.
2. Check the study tables in the immediate area.
3. Check the carts on that floor.
4. Ask the floor assistant or the Circulation Desk for help.
Fines  (Payable with PCC Card only)

1. **Two-Week and Thirty-Day Loans:** 35¢ per book per day (excludes Sundays and days the library is closed).
2. **Lost Items:** the replacement cost of the item plus a $20 processing fee and any incurred overdue fees.
3. **Reserve Items:** The fine for overdue reserve items is $1 per hour.

---

**Locating Materials**

**PALM** (Patron Access to Library Materials)

Patrons may search for materials by using the PALM computers located on each floor of the library. PALM is also available via the on-campus wireless network by going to library.pcci.edu in your browser. Current students, faculty, and staff may also access the PALM remotely by going to library.pcci.edu, where they will be prompted to enter their login credentials. Patrons can locate items by searching the author, title, subject, call number, or any key words.

**Call Numbers/Locations**

The call number indicated on the PALM computers identifies the location of an item. If you want to know where a particular book is after searching for it on the PALM search engine, click on the "Location Map" link on the book's information page to see a map showing where the book is located. Refer to page 19 for a listing of the Library of Congress Classification system. Items are shelved in call number order from left to right and top to bottom of each section. Also, you can refer to the Library Directory on each floor by the elevators for item locations.

10 General Information / Locating Materials
Reserve Items

Items selected by faculty as support material for courses are placed on reserve and are for library use only. Reserve items are located on 2nd floor, 3rd floor Media Lab, 5th floor Music Lab, and the 6th floor Nursing Lab. Although reserve items are for library use only, 2nd floor reserve items may be checked out one hour before closing. They are due by 8 a.m. the next weekday or 9 a.m. on Saturday. Personal copies belonging to faculty may not be checked out.

Computer Lab 3rd fl.

Code of Computer Ethics: Students have use of the computing resources of Pensacola Christian College. Copyright laws and licensing agreements govern the computer software used on these resources. Under United States copyright laws, no person may duplicate or distribute a work without the express permission of the author(s). Commercial software vendors do not generally grant permission to duplicate their products; however, there are two categories of software which do allow copying and distribution of the product: public domain software and “shareware.” Pensacola Christian College stringently obeys these laws and agreements. Students having access to PCC computer resources must adhere to general copyright laws and licensing agreements as well as this Code of Computer Ethics:

1. It is unlawful for any student to make copies of computer software that is owned by the College.
2. Any program designated by the author(s) as “shareware” may be freely copied and distributed according to the express permission of the author(s). If a student continues to use a program, he is expected to register that program with the author(s) by paying a fee. Students continuing to use unregistered shareware products may be in violation of United States copyright law.
3. It is wrong to tamper with someone else’s computer. If you have permission to use another machine, make sure that you leave everything the way you found it.

Pensacola Christian College subscribes to this Code of Computer Ethics and requires that all students adhere to it completely.

Specialty Labs/Collections 11
Computer Lab Guidelines:
1. Only current PCC students and PCC faculty have access to the Computer Lab.
2. The lab is a work/study room and not a social area.
3. There is a two-hour time limit on the use of work stations if other students are waiting.
4. Plan to use the lab during the day to avoid excessive overcrowding during nights and weekends.

Computer Problems: To ensure the earliest possible responses to a problem with computer hardware or software in the library, go to the Tech Help section of the Eagle’s Nest website and fill out the Eagle’s Nest Trouble form completely. If you are unable to report a problem through the Eagle’s Nest Trouble form, contact a library floor assistant.

Limited Internet Access is available in the Computer Lab and also through the wireless access points throughout the library. If a website is blocked by the Internet filter, please follow the on-screen instructions or go to eaglesnest.pcci.edu/SuggestSite and fill out the form completely so that Student Life can review the website.

Online Resources: The library provides access to several online databases and journals. Please visit library.pcci.edu/OnlineDatabases.aspx for a complete listing of the resources available, including tutorial videos.

EBSCOhost contains several major databases of journals and magazines in different fields of study plus several other smaller databases in various subject areas.

FirstSearch provides access to multiple databases, including Dissertation Abstracts, MedLine, and WorldCat, an international catalog of holdings from more than 28,000 libraries around the world. Many items found on First Search are available in full text and can be printed. Items located in other libraries may be requested directly from FirstSearch through Interlibrary Loan.

Gale Access Program (GAP) is a group of more than 40 databases in many disciplines. There are more than 36,000 journals and periodicals in this aggregate, plus many other valuable resources, particularly in business, literature, and the humanities.

OVID: Ovid Nursing Full Text PLUS is a comprehensive source of premier current journal content from Lippincott Williams & Wilkins, including full-text articles with images from over 40 research journals geared to practical medicine dating as far back as 1995. This collection includes 22,000 journal articles and over 375,000 bibliographic records from over 400 nursing journals.
Specialty Labs/Collections

**Proquest Dissertations and Theses Global Database** contains more than one million full-text dissertations and theses in a wide variety of subject areas available for PDF download. In addition, more than two million are available for purchase.

**EBooks**

Students also have access to eBooks through the PALM system. EBooks are a convenient way for students to get information whether for formal academic research or just personal enjoyment. Tutorials instructing on how to access and use eBooks are available in the library help section on the Eagle’s Nest website.

**Media Lab 3rd fl.**

The Media Lab contains audio-visual equipment for listening to cassettes/CDs or viewing videos/DVDs, and other media in the library. There is also equipment for making visuals, including the Cricut, diecut machines, and document projectors. A variety of curricula, visual aids, and teaching materials is available for checkout.

Adjacent to the Media Lab is the **Education Textbooks Lab**, where curriculum books are kept. The **Juvenile Collection** is located in the stacks outside the Media Lab. The purpose of this collection is to provide resources for education students.

**Special Collections 4th fl.**

(Access to these areas is by tour or appointment only. See the Information Desk or Circulation Desk for times.)

The **Bible Manuscript Room** houses a collection of rare Bibles and manuscripts which are non-circulating.

The **One-Room Schoolhouse** is a collection of old and rare school materials. Patrons may use these items for research purposes and may request them through the Circulation Desk. They may be used only on the 1st floor and may never be copied. White cotton gloves (provided by the library) are required to handle these items. See the Circulation Desk for check-out procedures.

The **Rare Book Collection** is made up of items based on age or rarity. General policies are the same as those for items from the One-Room Schoolhouse.
**Music Lab 5th fl.**

Music scores, CDs, and equipment are located in the Music Lab. Only musical scores may be checked out by students. All other materials must remain in the Music Lab. The Music Lab closes at 9:45 each evening during fall and spring semesters.

**Foreign Language Lab 6th fl.**

Foreign language collections, including books and periodicals, are in the Foreign Language Lab at the west end of 6th floor. Foreign language audio cassettes and kits are located in the Media Lab.

**Nursing Lab 6th fl.**

Nursing materials are grouped together and are available only to nursing majors, premed majors, and students taking certain upper-level science classes. General medical materials for all library users are located in the general stacks and in the reference area.

---

**Services**

**Note:** Patrons must pay for all library services before they leave the library.

**Copy Machines 1st, 2nd, 3rd**

**Copiers** are operated by using a PCC Card. Cost is 10¢ on the black and white copiers and 75¢ for an 8½ by 11 copy on the color copier located in the Computer Lab. (Note: Black and white copies on the color copier are 75¢.) Double-sided copies may be done on any of the copiers. See the instructions by each machine for enlarging and other copier settings.

If the copy machines malfunction, contact a library assistant immediately. Do not try to repair the machine yourself. Refunds will be given for a maximum of two unsatisfactory copies caused by copier malfunction. Information may also be scanned to a flash drive using the copiers. Information, however, cannot be printed from a flash drive.
**Interlibrary Loan** 2nd fl.

Interlibrary loan (ILL) is available for all patrons. When the College Library does not have books or articles that a patron needs, those items can be requested from other libraries nationwide. Patrons may request items through ILL by completing forms on Eagle’s Nest under Academics/Library Links/Library Help and Resources. Patrons may also stop by the ILL office during regular hours (M–F, 8:00 a.m. to 12:45 p.m.) to fill out a request form. PCC does not charge patrons requesting materials through ILL. The lending library may charge for use of an item; however, the ILL staff will authorize the charge with the patron before agreeing to borrow the item. The usual checkout period is three weeks. The patron will be notified when the item is ready for pickup at the Circulation Desk.

**Laminating Machines** 2nd fl.

**See a floor assistant to use laminating machines.** The charge for laminating is 75¢ per linear foot. You must pay for laminating at the Circulation Desk before leaving the library. There is a $5 service fee for unpaid items.

**Skype** 2nd fl.

Skype is available to patrons whenever the library is open; however, mixed groups may use the computers only during business hours (M–F, 7:30 a.m. to 4:45 p.m.). Reservations for Skype computers are made at the 2nd floor assistant’s desk. See the reservation notebook for specific policies to use Skype.

**Testing Center**

The Testing Center is available Saturdays at 9 a.m. and 4 p.m. in the Lyceum, 1st floor AC. Students must be present and in line when the Testing Center opens. The cost is $10 per test deducted from your PCC Card.
Spiral Binding

Spiral binding is available for patron use in the 3rd floor computer lab. Purchase materials in the Campus Store before seeing the Computer Lab assistant to use the spiral binder.

Transparencies

Transparencies must be made by a library worker. Transparencies can be made using either the color or black and white copiers. In addition, PCC students and faculty can make computer-generated color transparencies in the Computer Lab on the color copier/printer only. A library assistant will print the actual transparency. Transparencies for laser printers must be purchased at the Campus Store. Using the wrong type of transparency will result in liability for any damage done to the machine.
**Art Slides**  Professional Room, 1st fl.

**Manuscripts**  
- Bible Manuscript Room, 4th fl.  
  Bible manuscripts (not available for circulation)

   Professional Room, 1st fl.

Video  Various locations
The College Library uses the Library of Congress Classification system. This system divides all knowledge into 21 classes as outlined below. Each class is identified by a letter of the alphabet, subclasses by combinations of letters, and subtopics within classes and subclasses by numerical notation.
